Invitation for Recruitment Drive 2024-25

Guru Nanak Dev Engineering College extends a warm welcome and cordially invite your esteemed organization to participate in our Campus Recruitment Placement program to consider graduating students for the Batch 2025.

Over 43000 engineers who graduated from the College during more than 68 years of its existence have played a significant role in nation building. The College was granted academic autonomy by UGC in the year 2012.

In 2022 UGC has extended the tenure of autonomy for next 10 years.

The consultancy cell earned revenue of more than Rs. 3.5 crores by providing extensive consultancy services to various government and industrial sectors during the year 2021-22. This revenue increased to Rs. 4.15 crores in 2022-23.

Accreditations/Ranking:

- The Institute is accredited by NAAC with A Grade in second cycle.
- B. Tech Civil Engineering, Mechanical Engineering, Computer Science Engineering, and Information Technology are accredited by NBA under TIER-I.
- National Accreditation Board for Testing and Calibration Laboratories (NABL) and Bureau of Indian Standards (BIS) has reaccredited the Pump Testing lab of Mechanical and Production Engineering Department under ISO/IEC 17025.

Guru Nanak Dev Engineering College also has an active training and placement cell in order to assist our students in identifying their ambitions and life goals in the trending competitive placement market. T&P provides the infrastructural facilities to conduct group discussions, tests and interviews besides catering to other logistics.

"The goal of Training & Placement Cell is to provide students with a platform for using their potential to gain valuable experience by working in industry."

The Training & Placement Cell of our institution plays a pivotal role in counseling and guiding the students not just in terms of discipline, but also with all the attributes necessary to be an addition to whatever institute or organization they may join for their successful career placement. The cell was applauded for its efforts and achievements by a national daily.
